TUESDAY AVENING, MAY 17.

A Word.

A little word ic kindness -poken, A motion of a test, Has often healed the heart that's broken, And made a friend sincere.

A word, a look, has crushed to earth Full many a bodding flower; Which had a em le ba, owned ate birth, Would tless lite's darkest hour.

Then deem it not an idle thing A pleasant word to speak ; The feet you wear, the thought you bring, A heart may heal or break. WHITTIER.

"How do you like the Epi copalish service?" asked Jones. "Never heard it," replied Forg "I dropped in at one of the churches last Sunday. It was quite early, so I began reading the service. I cidu't read f.r. though, before I found that it would never do for me. So I came out." "Why, what was the trouble?"
"Too many collections." "Too many collections?" "Yes. Oo almost every page it said 'collect.' One collection is all I can afford to respond to. Must be awfully expensive to be an Entsconalian."

Perry, Ga., April 14 1879. I have watched the use of the medicine now known as "Swift's Syphillitic Specific" over fifty years, and have never heard of a failure to cure when properly taken. Ic manneed the use of it on my slaves between 1850 and 1855, as also it on my slaves between 1850 and 1855 as also did a number of my neighbors, and in every case that came within my knowledge it effected a cure. In 1835 Geo. Walker, bought at auction a slave not warranted. After the process it was discovered that he had had Syphilis for twelve years. His head was without a marron it. He treated him with this remedy, and in four weeks he was sound and well, and in a short time had as fine a head of hair as was ever owned by a negro. He owned this slave many years, and he never now and ease, nor lost a day's work.
